Re: Ben Cardin for Senate 30 Day Post-General Report (10/19/06-11/27/06)

Ms. Sugarman:

In response to the Commission's request for additional information regarding Ben Cardin for Senate's 30 Day Post-General Report, the Committee has amended its report.

Column B Figures: The column B figures now correctly follow from the amended 12 Day Pre-General report filed on 1/16/07.

Aggregate Cycle-to-Date Totals: The aggregate figure for the United Food & Comm Workers Int'l Union Ballot Club has been updated.

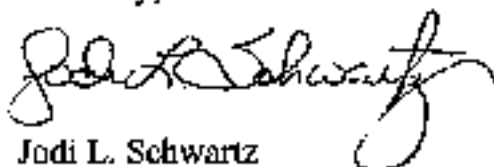

Joint Fundraising Transfer from Committee for a Better Future: The memos supporting the \$38,000.00 transfer total \$42,907.06. The committee is including additional memo transactions that were inadvertently omitted on its original report.

48-Hour Notice (Failure to file): Carla Meyer's \$2,100 contribution on 10/29 was originally reported on a 48-Hour Notice as a \$2,100 contribution from Vincent J. Ryan. The contribution – made on credit card jointly held by Mr. Ryan and Ms. Meyer – was reattributed to Carla Meyer after the original 48-Hour notice was filed. The reattribution is disclosed on the amended Post-General Report. The \$1,000 contribution from Mary Lou Randour on 10/31 was a memo from a joint fundraising transfer received on 11/2/06 from Team Blue, the memos for which the committee did not receive at the time of the transfer. Similarly, the committee was not notified of the \$1,010 in-kind contribution from Sierra Club Political Committee on 10/30/06 until 11/17/06 and thus was unable to file a 48-Hour Notice.

Additional Changes: The committee is reporting three additional transactions that weren't disclosed on its original report: A disbursement of \$161.70 on 10/31 to Globalpay for Merchant Fees and two in-kind contributions (on 11/2 for \$500 and 11/7 for \$103.60) from the National Organization for Women PAC for which the committee was notified after the original filing.

Should you require additional information, please do not hesitate to contact me.

Sincerely,

Jodi L. Schwartz
